

Melvindale Safety Town 2018

Accidents are the leading cause of death in children.

Safety Town helps prevent childhood accidents by teaching pre-school children safety principles. We use a miniature city and classroom settings (with certified teachers, first responders, and guest specialists) to teach children many aspects of safety: traffic, classroom, school bus, home, strangers, medicines, and more. We are registered, accredited and certified by the **National Safety Town Center**.

The class runs for two weeks, and is approximately two hours in length. We ask a nominal fee of **\$25.00** (Melvindale Residents) or **\$35.00** (Non-Residents) for each child, but some scholarships are available.

Safety town will be **July 23 through Aug 03, 2018**
10:00 AM at the Fire Station in Melvindale (3160 Oakwood).
For more information call Sue Herman at 313-382-5360.

Register your 4-6 year old child for Melvindale Safety Town.
